

## New Patient On-Boarding visit

All of us at Renumi Mobile Dental are very excited to introduce you to an entire new approach to Dental care. In order to make your experience as easy as possible, we wanted to provide a brief overview of the initial on-boarding process. You will quickly see that Renumi Dental is a much more convenient and technological way to access your dental health needs. Please review the information below to make sure that all the required information has been received to ensure we have the info needed to enter you into our MY DENTAL wellness program.

Prior to your On-boarding visit:

- Contact our treatment coordinator at 844-4-RENUMI (473-6864) to schedule your initial 15 minute visit
- Review the welcome email and complete the Medical/Dental history profile
- Please arrive a few minutes prior to your scheduled visit

\*Medical/Dental history profile must be filled out prior to the initial visit\*

At your On-boarding visit:

You will be welcomed by one of our Dental professionals who will ensure your are comfortable during the entire process. At the initial visit, data collection will be completed by one of our certified dental assistants and will include:

- Intraoral digital photography
- Intraoral digital radiography (x-rays)

Next, you will meet one on one with one of our Doctors who will :

- Review your medical and dental history
- Review your newly acquired digital photos and x-rays
- Complete your comprehensive Dental exam
- Briefly review the initial findings and the MY DENTAL wellness program risk determination

At this time a MY DENTAL teleconferencing appointment will be scheduled with your Dentist to review your chart and current findings and create a personalized Dental treatment plan to meet your individual Dental needs.
